**EXCERPT FROM POPE FRANCIS' MESSAGE FOR MIGRANT AND REFUGEE SUNDAY** - "Take courage, it is I, do not be afraid!" (Mt 14:27). It is not just about migrants: it is also about our fears. The signs of meanness we see around us heighten "our fear of 'the other', the unknown, the marginalized, the foreigner... We see this today in particular, faced with the arrival of migrants and refugees knocking on our door in search of protection, security and a better future. To some extent, the fear is legitimate, also because the preparation for this encounter is lacking" (Homily in Sacrofano, 15 February 2019). But the problem is not that we have doubts and fears. The problem is when they condition our way of thinking and acting to the point of making us intolerant, closed and perhaps even – without realizing it – racist. In this way, fear deprives us of the desire and the ability to encounter the other, the person different from myself; it deprives me of an opportunity to encounter the Lord (cf. Homily at Mass for the World Day of Migrants and Refugees, 14 January 2018).

"For if you love those who love you, what recompense will you have? Do not the tax collectors do the same?" (Mt 5:46). It is not just about migrants: it is about charity. Through works of charity, we demonstrate our faith (cf. Jas 2:18). And the highest form of charity is that shown to those unable to reciprocate and perhaps even to thank us in return.

**TO THE PARENTS OF OUR YOUNG CHILDREN, MAY WE SUGGEST.....** Relax! God put the wiggle in children; don't feel you have to suppress it in God's house. All are welcome!

Sit toward the front where it is easier for your little ones to see and hear what's going on at the altar. They tire of seeing the backs of other's heads. Quietly explain the parts of the Mass and actions of the priest, altar servers, choir etc. Sing the hymns, pray and voice the responses. Children learn liturgical behaviour by copying you. If you have to leave Mass with your child, feel free to do so, but please come back. As Jesus said, "Let the children come to me."

Remember that the way we welcome children in church directly affects the way they respond to the church, to God, and to one another. Let them know that they are at home in this house of worship.

### TO OTHER MEMBERS OF OUR PARISH

The presence of children is a gift to the church, and they are a reminder that our parish is growing.

Please welcome our children and give a smile of encouragement to their parents. If you see a parent struggling, please offer them support!
