**FROM THE HOLY FATHER'S GENERAL AUDIENCE** "We live in a time in which it is common to criticise the Church, to point out its inconsistencies – there are many – its sins, which in reality are our inconsistencies, our sins, because the Church has always been a people of sinners who encounter God's mercy.

"Let us ask ourselves if, in our hearts, we love the Church. The people of God on a journey, with many limitations but with a great desire to serve and love God. In fact, only love makes us capable of speaking the truth fully, in a non-partisan way; of saying what is wrong, but also of recognising all the goodness and holiness that are present in her, starting precisely with Jesus and Mary."
