BISHOPS SUPPORT SCHOOLS WITH GUIDE ON GENDER IDENTITY The Australian Catholic Bishops Conference has released a guide on gender and identity to support Catholic schools in responding to the individual social and pastoral needs of students.

Created and Loved: A guide for Catholic schools on identity and gender outlines a pastoral approach shaped by the theological, medical and legislative context in which Catholic schools operate. The bishops consulted widely with specialists in education, including principals and teachers, sought advice from parents with children facing various gender questions, heard from bioethicists and other experts in the field, and from the international Church community. Increasing rates of gender incongruence in Australian society are seen as an invitation to reflect deeply on the biblical and Christian witness to human dignity. The guide offers principles that can be used by Catholic education authorities for their own local contexts.

"The Catholic Church and our schools begin from the foundational principle that each person is created in the image and likeness of God, and is loved by God," said Archbishop Peter A Comensoli, chair of the Bishops Commission for Life, Family and Public Engagement. "That principle guides this document, which we offer to our schools to support them in walking compassionately alongside each student we are invited to educate." Archbishop Comensoli said *Created and Loved* is grounded in Christian anthropology, which values the worth and dignity of every person, and also sees each person holistically, rather than defining that person by any single characteristic. PAKISTAN FLOOD CRISIS APPEAL The devastating floods in Pakistan have left a trail of destruction across the country, claiming the lives of more than 1,100 people. The United Nations estimates that around 33 million Pakistanis have been affected by the flooding. More than one-third of the country has been completely submerged by the heaviest recorded monsoon rains in a decade. There are fears that the death toll will continue to rise.

Caritas Australia's partners are responding to support flood-affected communities who need immediate assistance. Your generous support can help provide emergency support to help families recover and rebuild from the disaster. Donate now by visiting <https://www.caritas.org.au/donate/emergency-appeals/pakistan-floods>
