DEAN'S BIT On 11 October Pope Francis preached an extraordinary homily at a Mass celebrating the sixtieth anniversary of the opening of the Second Vatican Council. One theme which comes through is the need for members of the Church to return to the Council and be inspired anew so that we can be a joyful, servant Church. *Brothers and sisters, let us return to the council, which rediscovered the living river of Tradition without remaining mired in traditions. The council rediscovered the source of love, not to remain on mountain heights, but to cascade downward as a channel of mercy for all. Let us return to the council and move beyond ourselves, resisting the temptation of self-absorption, which is a way of being worldly. Once more, the Lord tells his church: Feed! And as she feeds, she leaves behind nostalgia for the past, regret at the passing of former influence and attachment to power. For you, the holy people of God, are a pastoral people. You are not here to shepherd yourselves, or to be climbers, but to shepherd others — all others — with love.*

NOVEMBER INTENTIONS AND ENVELOPES We remember and pray for our loved ones who have died in a special way in November. You can write the names of those you want remembered in November Masses in the book near the baptismal font. You may also use the November envelopes in the pews if you wish.

LET'S EXPLORE THE NEXT WEEKEND'S MASS READINGS Come and meet at 450 Hay Street at 7.30pm on Tuesday evenings.
