The Cathedral parish acknowledges the Whadjuk people of the Noongar nation, the Traditional Owners who have walked upon and cared for this land for thousands of years. We acknowledge the continued deep spiritual attachment and relationship of Aboriginal and Torres Strait Islander peoples to this country and commit ourselves to the ongoing journey of reconciliation

Keep the fires burning Strong in faith

The time will come when all Australians must continue the journey of Reconciliation.

Our deepest identity is that we are sisters and brothers in Christ. We are created, loved and redeemed by God. Our homeland is together with our Father in Heaven. Even now we are filled with the Holy Spirit. **Reconciliation is right.** It is what God wants. This is our faith and our faith keeps us strong. It gives us direction. And it gives us the knowledge that, one day, God's Kingdom will come. We are called to be strong in faith, as Ezekiel, St Paul and Jesus were. Each of them suffered terrible rejection, yet their faith gave them the strength and confidence to keep going. Because faith attaches us to God and God's power can be manifest in people of faith.

The themes for today – "Keep the fires burning" and "Strong in faith" are very much related and so necessary for those working for Reconciliation. Being strong in faith is to keep the fire deep within our hearts burning. For it is to retain hope that God's ways, whatever the rejections and insults and agonies, will in the end win out. And faith attaches us to God, so we can continue to know God's love deep within our hearts, which gives us the capacity to love and to forgive even in the darkest of times.

Elsewhere in the New Testament, St Paul writes that we must endure many difficulties before we enter the Kingdom of God. So it was for Ezekiel, St Paul and Jesus Himself. So, it is for us. But God is greater than everything. For those who stay close to God, all things turn out for the good.
