**FROM THE DEAN
REGARDING THE CATHEDRAL
MUSIC PROGRAM**

Over the past three months, the Cathedral completed a review of the Music Program.

The objective of the review was to refresh the Music Program's Vision to future proof the program and meet the aspirations of the Cathedral, and its affiliates. This included a review of the required organisation structure, resources and budget to deliver the vision and aspirations of the Cathedral.

The review process included engaging various key stakeholders including the current Director of Music, Trinity College and other experts in the liturgical and choral music. The vision we have developed for the music program includes: St Mary's Music Program Vision has many elements to it and includes:

- A Music Program that is considered a centre of excellence built on a best-in-class education program.
- A music program that is inclusive, nurtures and retains male and female choristers with a broad repertoire befitting their abilities.

To achieve St Mary's Music Program's Vision the current organisation design and structure was reviewed and was found inadequate to the task.

Key Organisation changes include:

- It has been determined that a new position of Master of Music is required to achieve the vision of the Music Program in a full-time capacity.
- To support this position, a new position of Principal Organist will be established and act as Deputy Master of Music in a part-time capacity.
- Vocal Coaches will be engaged to support student choristers.
- The current position of Director of Music will be made redundant effective 2 December 2024.

I am very grateful to the Jacinta Jakovcevik for all she has done for the Cathedral Music Program over many years. She has made a great contribution to the Cathedral, the Archdiocese and nationally.

All who take part in the music program should have received an email communication about the changes. If you have not received this, please accept my apologies; please contact the office to receive the email.

Your prayers for all involved and for the next stage of our journey together would be much appreciated.

The Holy Father has issued an encyclical letter on the Human and Divine Love of the Heart of Jesus. It is a beautiful reflection. You can read it at

"HE LOVED US", Saint Paul says of Christ (cf. Rom 8:37), in order to make us realize that nothing can ever "separate us" from that love (Rom 8:39). Paul could say this with certainty because Jesus himself had told his disciples, "I have loved you" (Jn 15:9, 12). Even now, the Lord says to us, "I have called you friends" (Jn 15:15). His open heart has gone before us and waits for us, unconditionally, asking only to offer us his love and friendship. For "he loved us first" (cf. 1 Jn 4:10). Because of Jesus, "we have come to know and believe in the love that God has for us" (1 Jn 4:16).

NOVEMBER INTENTIONS AND ENVELOPES

We remember and pray for our loved ones who have died in a special way in November. You can write the names of those you want remembered in November Masses in the book near the baptismal font. You may also use the November envelopes in the pews if you wish.

The Cathedral parish acknowledges the Whadjuk people of the Noongar nation, the Traditional Owners who have walked upon and cared for this land for thousands of years. We acknowledge the continued deep spiritual attachment and relationship of Aboriginal and Torres Strait Islander peoples to this country and commit ourselves to the ongoing journey of reconciliation
