**Dean's Bit**

Some more news. The new Cathedral Music positions have been advertised domestically and internationally. The two roles are Master of Music and Principal Organist. You can take a look at the ads at

<https://www.seek.com.au/jobs?advertiserid=62753637>

The positions are, of course, open to anyone to apply.

These positions are the result of the two-month long process of consultation which included Jacinta and other experts in the field. The consultation was to aid us in developing a program which would take us into the future and was not a review of the current program as I wrote last week in the bulletin:

"The objective of the review was to refresh the Music Program's Vision to future proof the program and meet the aspirations of the Cathedral".

This was also in the letter which went out to all the music program participants assuring them that the St Mary's Music Program would continue.

I want to acknowledge the wonderful contribution that Jacinta has made to Cathedral music over many years. We all appreciate it. As we journey together, please keep everyone involved in your prayers.

A reminder that the downstairs toilets and most parts of the Cathedral are open to the public. Please ensure that children and others at risk are accompanied at all times.

Isang paalala na ang mga banyo sa ibaba at karamihan ng bahagi ng Katedral ay bukas para sa publiko. Pakisiguro lamang na ang mga bata ay nasa direktang superbisyon ng mga magulang; at para sa iba pang nangangailangan ng kalinga, na may kasama ang mga ito sa lahat ng oras. Maraming salamat po.

The Cathedral parish acknowledges the Whadjuk people of the Noongar nation, the Traditional Owners who have walked upon and cared for this land for thousands of years. We acknowledge the continued deep spiritual attachment and relationship of Aboriginal and Torres Strait Islander peoples to this country and commit ourselves to the ongoing journey of reconciliation
